TOLHUIS BISTRO & FARM STALL

The People's Republic of Roosterkoek

*"Double, double toil and trouble; fire burn and caldron bubble."
Apt words by Shakespeare for this roller coaster-democracy of ours.
Hey, if we can't laugh at ourselves, who can we laugh at?
Welcome to the People's Republic of Roosterkoek!*

10% tips for tables of 8 and more included in bill

Take Away Menu

Because of the size of our kitchen and the fact that we don't have a dedicated take-away section, your take away order won't necessarily be 'fast food', especially when the restaurant is busy. During 'snow season' we try our best to prepare your order as quick as possible, so you can get to the snow or get back home.
